## Mayor Kim Notes Exemplary Cooperation of UofN Kona

The University of the Nations Kona (UofN Kona) campus, located at 75-5851 Kuakini Hwy, Kailua-Kona, HI 96740.

West Hawaii Today reported this morning that Mayor Kim said even though the original numbers for UofN Kona were concerning, as soon as the university was informed of the cluster, it's cooperation was exemplary.

"They had a potential of having a real problem. When we requested the quarantine, it was immediately done." said Kim. "It is now a very controlled situation."

In a collaborative effort to curb the spread of COVID, 955 individuals were tested on campus this past week. As of 8am this morning, two additional individuals tested positive. We are eagerly awaiting the balance of the results as they come in throughout the day. We want to thank Premier Health and Clinical Labs of Hawaii for their hard work to get us all our results as quickly as possible.

We are pleased that today the Department of Health has cleared 14 individuals and released them from isolation. This brings our total of active cases down to 28. All active cases have mild or negligible symptoms and no cases have been hospitalized to date.

We will continue to provide updates and want to thank the community for your prayer and support.

### ABOUT THE UNIVERSITY OF THE NATIONS KONA

University of the Nations Kona (UofN Kona) specializes in Christian education and training programs for frontline workers in the nations of the earth. Pioneered in 1978, and now operating in 1,200 locations and 180 nations, UofN Kona empowers thousands of young people to be change-makers and godly influencers in all spheres of culture and society. UofN Kona equips young people to share the gospel of Jesus Christ in both word and deed, providing

healthcare, education and basic necessities to communities in need around the world. Additionally, UofN Kona is actively engaged in Kailua-Kona and West Hawaii through community development, local outreach programs, and the foster care system - touching countless lives every year.
