## No New Cases Monday

The University of the Nations Kona (UofN Kona) campus, located at 75-5851 Kuakini Hwy, Kailua-Kona, HI 96740.

UofN Kona is pleased to report no new Cases on Monday, October 12. We are now down to 20 active cases. They all remain in quarantine under close supervision and only minor symptoms have been reported. We remain vigilant and committed to masks, distancing, digital learning and digital meetings. We are grateful for our Campus medical team and the Department of Health for all the guidance as we continue to understand the science of this virus.

As an additional level of protection for our surrounding community, in collaboration with the Mayor's office we are planning a second round of precautionary testing for all of our staff and students at the University. We want to be as certain as possible that there is no further spread of the virus. We are hoping to have this done on Thursday of this week. The safety and care of our campus and the community of the Big Island is our utmost concern.
