The University of the Nations Kona (UofN Kona) campus, located at 75-5851 Kuakini Hwy, Kailua-Kona, HI 96740.

The University of the Nations, Kona is excited to announce that we will be welcoming a new group of students on January 7, 2021.

We are committed to maintaining the safest environment possible for both our campus and our Kailua-Kona community. We have been in close communication with the Department of Health and Civil Defense and worked together to further refine our COVID 19 protocol. All incoming students will be placed in quarantine and COVID tested twice before joining the general campus population.

As mandated by the State of Hawaii, all arriving students will complete Hawaii Safe Travels approved COVID testing within 72 hours prior to arrival. All transpacific travellers complete a Rapid Antigen test on arrival at the Kona airport. After arrival, students will be shuttled directly to campus, where they will enter a modified 5 day quarantine at designated quarantine facilities.

Students will stay in their rooms and classes will be conducted online for the duration of the quarantine. They will remain in fixed groups of 5 or less and will have designated times to leave their rooms for laundry and meal pick ups.

After quarantine, all students will be tested once more with the Rapid Antigen test before being released to attend in person classes. Any individual with a positive test result will have a follow up PCR test and will be moved to the Campus Hospitality Center. There they will be in isolation until cleared by the Department of Health (DOH). Any roommates or close contacts will be moved into quarantine rooms until released by DOH.

We expect that any cases picked up in travel from the mainland will be quickly identified and isolated, thus preventing any potential virus spread.

Our concern for the Kailua-Kona Community and our Campus Ohana is paramount. We look forward to serving our community and island again soon!
