The University of the Nations Kona (UofN Kona) campus, located at 75-5851 Kuakini Hwy, Kailua-Kona, HI 96740.

UofN Kona routine screening protocols have identified 20 positive cases of COVID19 on our campus. Those that tested positive have been isolated, contact tracing has taken place, and anyone who might have been in contact are currently in quarantine. UofN Kona has returned to having on-line classrooms and staff meetings, and as a temporary precautionary measure we have closed our campus to the public.

We are thankful to the County and State of Hawaii and all the Departments that made it possible for our essential staff and volunteers to participate in the vaccination program last month. We continue to work closely with the Department of Health, and are thankful for their expertise and assistance.

Our hearts continue to go out to all those who have been affected by this virus. As a long-term part of the Kona community, UofN Kona remains vigilant to act in the interest of the broader public we serve. For any questions please do not hesitate to reach out to our media contact above.
